## 3cFlow Solutions: The 4 Archetypes Map

**It's All About Your Energy™**- This map of the hard-wiring of the human mind is based on the work of Dr. Carl Jung, Robert Moore, Ph.D. and Douglas Gillette, Ph.D. from the book *King, Warrior, Magician, Lover*. The four archetypes are the foundational four keys of **The 12 Keys** that are featured in Colin Hillstrom's book *Transformational Living*. This psychological four archetype map is an integral part of Colin's *3cFlow Coaching Systems™*.
