3cFLOW Life-Energy Wheel

It's All About Your Energy™- You are the CEO of your life. This life coaching wheel is a blueprint, a template, for working on your life towards perfection, balance and fulfillment. **Step 1:** On a scale of one-to-ten, where 1 is devastating and 10 is bliss, how are you doing in each of these areas? **Step 2:** Add up your points, then divide them by 80: ____ = ____ %. Now you know how well you are performing as the CEO of YOU, Inc! **Step 3:** Proceed to the other wheels of the 3cFlow Coaching System to elevate your life, intelligence, and freedom.
